CAREER SUMMARY

Aspiring web developer with two years of hands-on experience gained through internships. Demonstrated ability to design, develop, and deploy dynamic web applications using both frontend and backend technologies. Proficient in collaborating within agile teams, solving problems, and quickly learning new skills to deliver impactful solutions. Eager to apply my enthusiasm, skills, and growth mindset to a full-time or part-time role.

EDUCATION:

2022 - 2025 | Humber College

Advanced Diploma - Computer Programming & Analysis

2018 - 2020 | Humber College

Diploma - Computer Programming

WORK EXPERIENCE:

Tech Mahindra

Software Engineer Intern | Toronto, ON | May 2023 - August 2023

- Followed coding standards and techniques using PEGA with the similarity of front-end and backend languages.
- Integrated external systems to send and retrieve data using REST APIs.
- Gained proficiency in applying rulesets and using PEGA's PRPC guardrails.
- Created case types to configure the design
- Acquired the skills to create an activity and data pages

A R Luxury Management

Full-Stack Web Developer Intern | Toronto, ON | May 2022 - December 2022

- Developed a FLXPAY application using ReactJS, Redux, NextJS and Tailwind CSS to advertise ARLM's website to the public, which increased the website foot traffic by 10%
- Designed a concept website and conducted UI/UX prototyping and wireframe using Figma to promote ARLM's services to the public.
- Collaborated with other team members remotely using GitHub and online meetings to ensure that client's needs were met

Central Etobicoke Youth Agency

Software Developer Intern | Toronto, ON | May 2022 - December 2022

- Developed full-stack applications using HTML, CSS, ReactJS, and React Native to promote CEYA to the public and reach out to potential clients.
- Developed cloud-based platforms using AWS to host the CEYA's website for internet users.
- Designed mobile applications and conducted UX design prototyping using Adobe XD to advertise to the community.

ABELAASH GIRITHARAN

WEB DEVELOPER
